## Important Information

### Finance

Students who are made an offer of a place need to commit to pay the first instalment (non-refundable) of their fees (equivalent to 10% of the first-year fee) at the time of accepting the offer in order to secure a place on the programme. In case a student does not meet the admission requirements and the application is rejected by the university, then the tuition fee paid will be refunded back to the student.

- Non-International students and students who do not require the University student visa should pay 10% of the total tuition fees accompanied with the mandatory Recurring Card payment option (RCP) at the beginning of the semester if they want to pay by Instalments.
- International students can pay their fees in 4 equal instalments as per the payment plan.

All students must pay a refundable security deposit of 1,000AED . Additionally, all students must claim their security deposit refund within 6 months after graduating or leaving the University. If the refund is not claimed within the given timelines, **then they will forfeit the right to do so.**

### Deferral Policy

- The student can request to defer entry to the next intake/entry point by writing to the appropriate admissions team. If your request is approved, only one deferral and within 12 months, after that you will be required to submit a new application. Although the admission team reserve the right to accept/ cancel the deferral request considering factors like seat availability/ Programme availability, etc.
- It is the responsibility of the student to be aware of any changes to deadlines such as 10% deposit payment should you submit a request to defer.
- Deferring your offer is likely to result in tuition fee increases. Tuition fees are subject to annual review and tend to increase each year. If you apply for a place for deferred entry from the outset, tuition fees for next year might not be available and your offer will quote with the change fee.  
If the student has already paid a 10% deposit, the deposit will normally be held by the University against your deferred offer and not refunded.

### Refund Policy

- The initial 10% tuition fee deposit is nonrefundable and will only be refunded in the event where the applicant fails to meet the entry requirement conditions and receives an official rejection letter. (excluding application fee, if applicable)
- For students who require a UAE study permit, if the visa application is unsuccessful, the 10% initial tuition fee deposit is eligible for a refund. Visa fee is non-refundable in any case.
- Pre-enrolment withdrawal: Any amount (in addition to 10% tuition fee deposit) paid by the applicant towards the tuition fee is fully refundable, however the 10% tuition fee deposit will remain non-refundable.
- Post-enrolment, the university's [refund policy](#) will apply for any refund.
- Payments taken in error by the University will be refunded fully.

**For any additionally information:** Please read student financial responsibilities carefully in this link [Dubai campus tuition fees | Heriot-Watt \(hw.ac.uk\)](#) to understand your financial responsibilities, important Finance policies, withdrawal ,consequences of non-payment, any applicable additional charges etc.
